Property Description

This is an ocean front condominium that offers amazing ocean and beach views. Located in the beach front "PACIFICO" building inside of the exclusive Los Veneros Resort. This property is one of the exclusive 41 beachfront units in the development, offering unique panoramic views of the Banderas Bay, the Sierra Mountains to the south and the Marietas Islands to the southwest at the entrance of the Banderas Bay. There are few properties that offer this exclusivity and the direct beach access to a simply stunning naturally sandy beach. It offers double height in the Living/Dining area with a typical Mexican palapa roof. Separate exterior living and dining areas with pergola. Los Veneros offers a fantastic community pool for each building and an exotic "LV Beach Club™" that will include pools, kids club, spa, restaurant, bar etc. The services offered in Los Veneros are Residential Conierge, Property management, etc...

About Los Veneros

Los Veneros extends for more than 37 acres across this earthly paradise, including 1,262 feet of coastline on one of the most beautiful beaches in Puerto Vallarta and the Nayarit Riviera. Our community, with one of the lowest densities in the region, will include a boutique hotel with 80 suites and eight residential buildings encompassing 239 condominiums.
